**Other Gear** second skin, azimuth laser pistol with 1 battery  
(20 charges), tactical baton, engineering tool kit,  
everyday clothing, hygiene kit, personal comm unit,  
credstick (1 credit)

### SPECIAL ABILITIES

**Lashunta Magic** Raia can use the following spell-like  
abilities, each as a standard action.

**Daze:** This spell causes a humanoid creature of CR 3 or  
lower to be dazed for 1 round (Will DC 11 negates).

**Detect Thoughts:** Raia can detect the surface thoughts of  
intelligent creatures within a 60-foot cone, and if she  
concentrates, she can attempt to read those thoughts  
(Will DC 12 negates).

**Psychokinetic Hand:** Once this spell is cast, as long as Raia  
concentrates (a standard action each round), she can take a  
move action to move an object within 25 feet that weighs  
10 pounds or less up to 15 feet. She can't perform fine  
manipulation (such as firing a weapon or using a computer),  
but she can push a single button or close a container's lid.

**Limited Telepathy (Su)** Raia can communicate  
telepathically with creatures within 30 feet that share a  
language with her.

**Spell Cache (Su)** Raia has an arm implant that functions as  
her spell cache. Once per day, she can cast one of her  
spells known even if she has expended all her spell slots  
of that spell level.

**Spells** Raia can cast these spells, each as a standard action.

**Dancing Lights:** Raia can create up to four flashlight-sized  
lights in a 10-foot-radius area.

**Detect Magic:** This spell reveals whether creatures or  
objects seen within a 60-foot cone are magical, and with  
concentration, can determine whether one magical source  
is a spell, magic item, or other effect, and its caster level.

**Energy Ray:** Raia can fire a ray of energy (choose acid, cold,  
electricity, or fire) as a ranged attack (+2 bonus) that targets  
EAC and deals 1d3 damage of the chosen energy type.

**Grease:** Raia can coat a 10-foot square or one object with  
slippery grease, causing creatures in the area to fall  
prone or drop the object (Reflex DC 14 partial).

**Magic Missile:** Raia can fire two missiles of magical energy  
that automatically hit and deal 1d4+1 force damage  
each. If she casts this spell as a full action, Raia fires  
three missiles.

**Mending:** This spell restores 1d4 Hit Points to one object  
or construct of up to 1 bulk.

### GEAR DESCRIPTIONS

**Azimuth Laser Pistol** This weapon can be fired 20 times  
before its battery needs to be recharged or replaced.

**Engineering Tool Kit** These specialized tools allow Raia to  
attempt Engineering checks without penalty.

**Mk 1 Serum of Healing** Drinking this serum restores 1d8 HP.

**Second Skin** While wearing this armor, Raia can close its  
environmental seals and survive in a vacuum (or other  
harsh environment) for up to 24 hours.

A magical scholar from Castrovel, Raia Danviri lives to meet  
new cultures and learn from them.
